EVERYWHERE ONE CENT

The Globe
AND Commercial Advertiser. ESTD 1792.
NEW YORK'S OLDEST NEWSPAPER.

THE COMMERCIAL ADVERTISER, the oldest daily journal in New York, has made two notable changes which are among the most important in the history of New York journalism.

Its price has been reduced to one cent, so as to bring it within the reach of all.

For the sake of brevity and in order to avoid misapprehension as to its contents, an alternative name, *The Globe*, has been adopted and will hereafter be used in association with the old.

The Globe will combine all that is good in the newer journalism, with the traditional qualities of truth and courage that characterizes the old.

BIG NATIONAL GUARD CAMP.

Troops From Three States to Manoeuvre in Pennsylvania With Regulars.

HAZLETON, Pa., Jan. 30.—Announcement was made to-day that the military manoeuvres in which the National Guards of Pennsylvania, New Jersey, New York and a detail of Regular Infantry and cavalry from Governors Island, N. Y., and Fort Myer, Va., will participate, will not be held at Glen Summit, near Wilkesbarre, which is said to be the place favored by Gen. Gobin, commander of the Third Brigade of the National Guard of Pennsylvania, but at Conemaugh, Cambria county. At that place there is a long stretch of ground which is partly cleared and surrounded by ridges and gullies, making it an ideal spot for a mimic war.

THIS REMNANT SALE WON'T LAST LONG!

Winter will end very soon for us, though cold days will continue for you 'til the end of March. It isn't very often you're fated to see \$35 smiles on fortune's face, at a cost of \$17. Some of these suits are worth over that. They are all this year's finest foreign wools. They are made up as perfectly as when they were price-perfect. If you just want coat and vest, we will say \$12.50—the trousers alone, \$4.50.

Last week we built two hundred and fifty Full Dress and Tuxedo Suits. The Dress Suits are \$40. The Tuxedos are \$35. Both silk lined.

said that the bringing together of the National Guard of three States and a detachment of Regulars will mark the inception of the plan of the War Department to keep the State militia, which is now

an auxiliary of the Regular army, on a war footing, both as regards equipment and efficiency. The manoeuvres will take place next summer, and the War Department will detail several officers to them.

TO-MORROW WILL BEGIN NEW YORK'S Greatest February Furniture Sale.

MOST every store in New York will flare similar headlines in front of you this morning. How meaningless the greater part of them! Truth receives severe juggling in advertising. The Adams policy, however, stands out like embossed relief. Nothing goes into print that is not founded on fact. Hence the importance of this great Furniture movement. It means the best Furniture you've ever seen for the money. It means the biggest values in all New York. It means the widest assortment of things you have use for. It means the greatest buying opportunity of the whole year—for no sale equals the one in February. We believe the prices—and your knowledge of Adams qualities—a sufficiently strong magnet to bring you here, without a waste of words as to the whys and wherefores. So, with a word of warning not to buy until you have seen the stock here, we hurry along to the prices.
